ROUTE & ITINERARY

DAY 1: ILALA LODGE HOTEL, VICTORIA FALLS, ZIMBABWE

Victoria Falls, Zimbabwe

Resting on the southern banks of the Zambezi River at the western end of the eponymous falls, this popular tourist town is compact enough to walk around and makes an ideal base for travellers exploring the seventh wonder of the world, the unfathomably vast Victoria Falls. About two-thirds of the falls can be viewed from the Zimbabwean side and, while the falls are undoubtedly the star attraction, the area provides both adventure seekers and sightseers with plenty of opportunities to warrant a longer stay. Popular activities include scenic flights over the falls in helicopters or microlights, bungee jumping off the Victoria Falls Bridge, white-water rafting (seasonal), and day trips to Chobe National Park. The town itself offers some excellent accommodation and restaurant options as well as an eclectic variety of African curios and authentic art sold by friendly Zimbabwean locals who are wonderfully welcoming and eager to help you enjoy your stay.

Day Itinerary Overnight: Victoria Falls Safari Club Built on a plateau overlooking the Zambezi National Park, Victoria Falls Safari Lodge is just 4km from the majestic Victoria Falls and offers a unique wildlife experience. We're proud to have been voted Best Safari Lodge/Resort Hotel in Zimbabwe for 21 consecutive years and look forward to welcoming you to our wonderful destination. Our staff are warm and personable, and will ensure your holiday is hassle-free. Built of thatch and timber, the lodge rises several levels, giving the impression of a vast open-plan tree house. Our rooms all have private balconies, most of which overlook a central waterhole, offering the opportunity to observe herds of buffalo, elephant and kudu, as the sun goes down, and hyenas later in the evening.

Dining Dining options include the a la carte MaKuwa-Kuwa Restaurant, the more casual Buffalo Bar and The Boma—Dinner & Drum Show. The Boma Café, set in a tranquil garden setting and located close to the Lokuthula Lodges, offers breakfast and light meals until 4.30pm

The Boma Restaurant

The Boma–Dinner & Drum Show is a “must do” Victoria Falls dining and entertainment experience, specializing in traditional African food, drumming and dancing. The food is cooked and served in the style and quantity of a lavish feast, including irresistible desserts. On arrival, you are dressed in a chitenge (traditional sarong) and welcomed into a vibrant atmosphere in which the tantalizing aromas of local dishes and game meat on the braai (barbecue) fill the restaurant, which is partially open to the star-filled African sky. Your meal begins with a mouth-watering platter of starters whilst the buffet includes soup from the campfire, a range of salads, game meat cooked on a braai (barbecue), followed by desserts. Vegetarian options are also available, as well as local dishes such as peanut butter spinach. Accompanied by guides and handlers, you will meet young cubs in the bush, and watch as they learn, explore, play and generally just act as any lion cubs do! It's an opportunity to learn about the species as well as get some fantastic photos and memories!

Flight of the Angels Helicopter Experience

Let the flight tell you the story of how the vegetation disperses itself to share sunlight and water. How the river carved a path across the world and how when the sun bounces off the surface of the water leaving behind a speck of light, so it appears there are a thousand diamonds glittering on the mighty river's back.

Elephant Interaction

Elephant Interaction is a 20-minute interaction with elephants. The experience includes a short introductory talk on safety and an introduction to the animals by a trusted wildlife guide.

Flight of the Angels Helicopter Experience (Zimbabwe)

To put the Victoria Falls into true perspective, they must really be seen from the air. The sheer size and grandeur of the spectacle becomes all the more clearer from above. The huge Zambezi River flowing slowly south as the waterspreads across the full width of a great rent in the earth before crashing over the lip in a burst of spray and then squeezing into a narrow, foaming, blast of water rushing down the zigzag funnel of the gorges
