ROUTE & ITINERARY

DAY 1: TRAVEL FROM MAUN TO THE KALAHARI

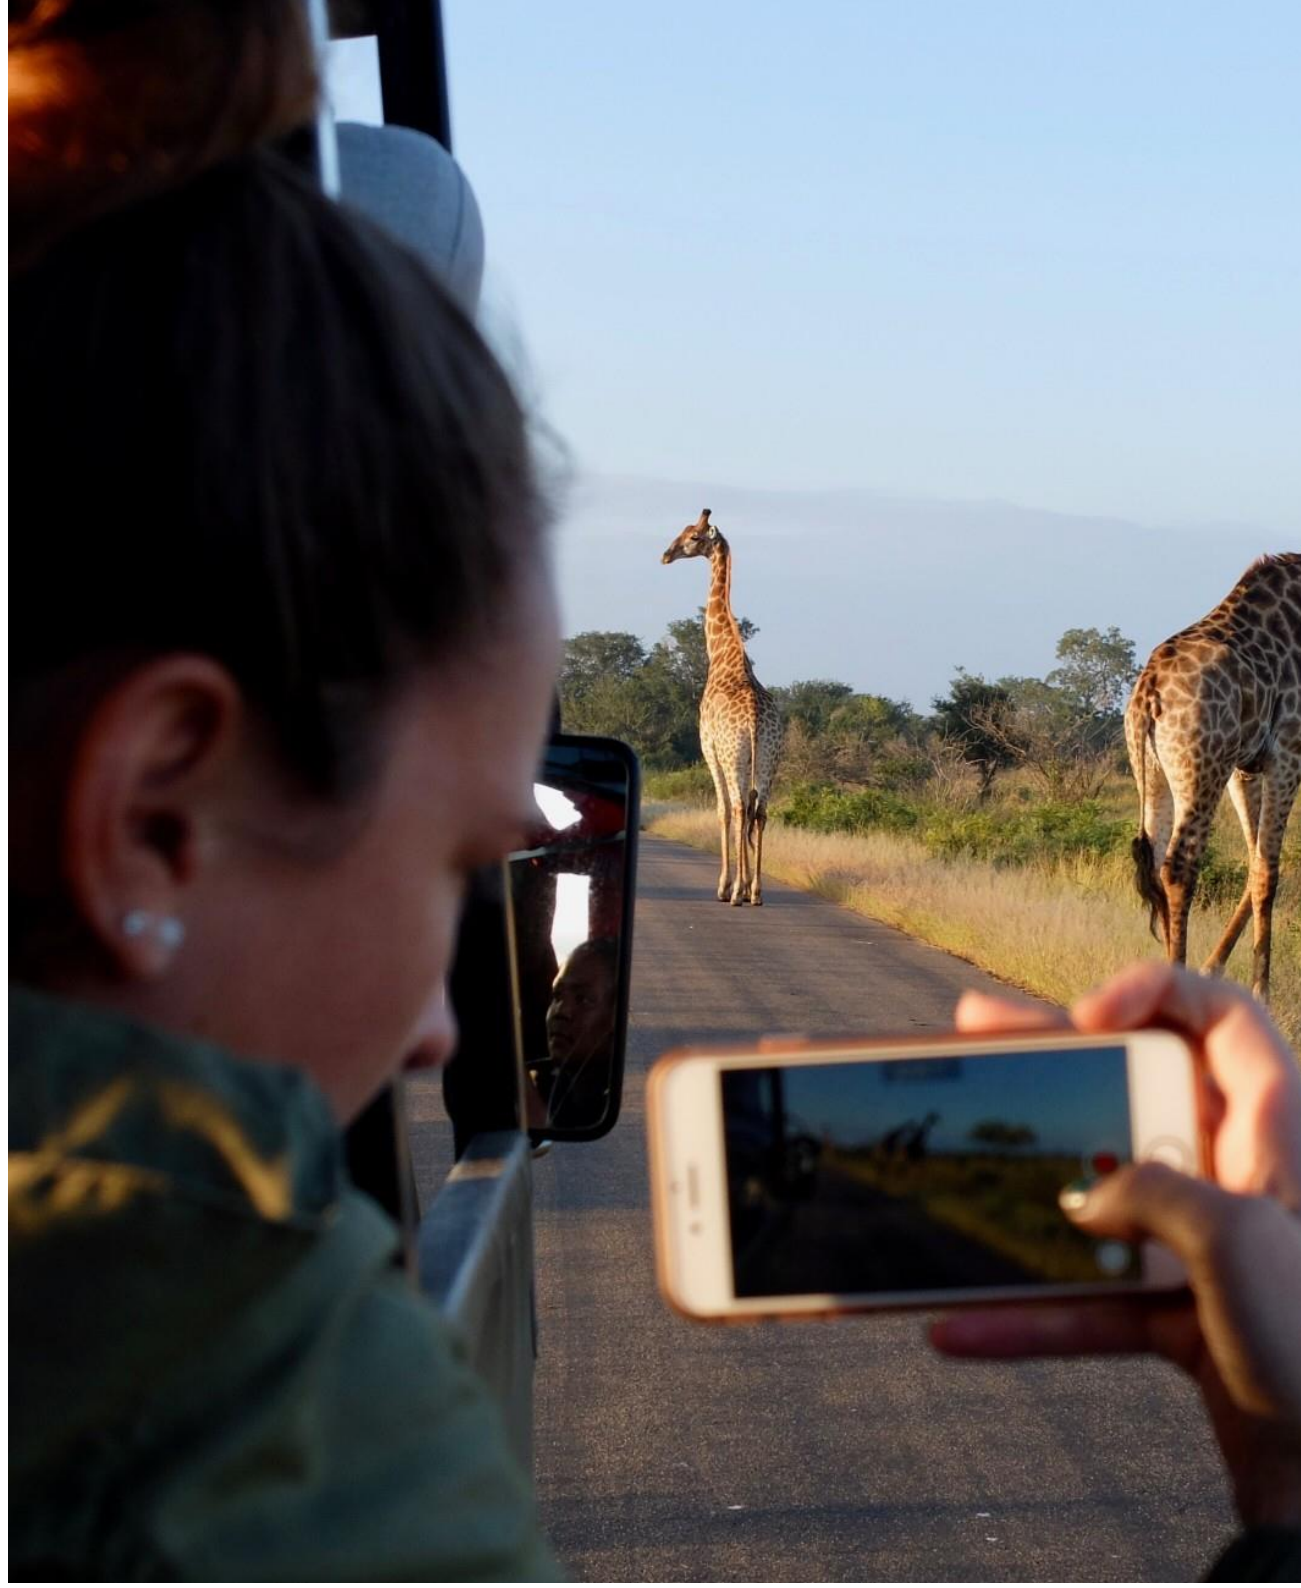

Your Botswana family safari adventure starts off as you and your family arrive in Maun; where you will board a light aircraft that will fly you over the Kalahari desert to your child friendly accommodation in the Central Kalahari. A stunning location overlooking a waterhole combined with spacious accommodation and interactive activities with local Bushmen, makes this the perfect first stop on your Botswana family safari. End your first day with a marshmallow “braai” around a bush fire followed by bedtime stories as your kids fall asleep to the roar of the lion, reminding them of the African wilderness and the story of The Lion King.

DAY 2 & 3 : EXPLORE THE KALAHARI WITH LOCAL SAN BUSHMEN

The next 2 days are spent discovering the Kalahari on game drives and cultural interactions with the local San Bushmen. Young and old will enjoy being active on bush walks where you are shown how make a bow and arrow, gather food and even learn how to make a fire with two sticks. The Central Kalahari sand makes it easy to track lions, leopards, wildebeest and other wildlife during day and night game drives. Game drives in the Central Kalahari are for the older kids but a swimming pool and several indoor and outdoor areas are perfect for the young ones to play between activities. Even though your Botswana family safari is set in the remote Central Kalahari, wi-fi is available by satellite so that your teenager children need not be cut off completely. As you fall asleep under the African sky you will have felt that your family needs have been catered to and you look forward to tomorrows adventures that will take you into the Okavango Delta.

DAY 4 : Fly to Okavango Delta

After breakfast another exciting light aircraft flight awaits to take you to your family friendly bush camp in the Okavango Delta. Your children will be amazed by the intricate patterns of the Delta wetland wonder as you fly over the Okavango Delta waterways. Your home for the next 3 nights is set in the forest of a large palm studded island bordering the wildlife rich Moremi Game Reserve in the Okavango Delta. Many species of wildlife call the Okavango their home including lions, leopards, buffalos, elephants, hippopotamuses, giraffes, antelopes and many smaller mammals. The waterways and forests are also brimming with over 450 different bird species. The peace and tranquility of the Delta will ensure that you have a peaceful nights sleep.

DAY 5 & 6 : Navigate the Okavango Delta waterways

Your teenagers will have to put their electronic devices away as this camp is truly remote and there is no wi-fi signal. It will not be a problem as there are so many activities for you to enjoy together as a family. Your own private guide will ensure you can enjoy customised activities to suite the capabilities and needs of the entire family. Take a picnic lunch and spend the day discovering the nearby islands, lily-studded lagoons and sweeping waterways of the Delta. The Okavango experience includes hand-made wooden dug-out mokoro canoe trips, private guided walking trips and cultural interactions.

DAY 7 : Return to Maun and onwards

After breakfast and one final morning safari it is time to bid the Botswana wilderness goodbye. Return to Maun for your onward journey.

EXCELLENT AND EFFICIENT SERVICE

Falcon safaris have given me the correct advice with excellent service. The only suggestion will be to work closer with the lodges to confirm bookings as soon as possible. We have booked and pay our deposit a year in advance. We have only receive our final confirmation from Chobe Safari lodge a week before departure. I do realize its not within your control but with limit alternatives and a group of 14 people it becomes an issue to find alternative accommodation if the booking was cancelled

WONDERFUL AFTERNOON WITH BEAUTIFUL CREATURES

I thoroughly enjoyed my afternoon with the elephants. I rode an 8 year old female, her name is not in my head, and it was magical. She loved her treats at the end of the ride and her trainer was a lovely man. We talked the whole hour and he taught me so much about these magical creatures.

Thank You for supporting this wonderful organization with your tour company.
