THE START OF A LEGACY

Falcon Safaris is run by people who know the African continent intimately, who have lived there, and who know the people and Places. It is run by people who were born and raised in Africa and who continue to return year after year – not only to refresh their knowledge but predominantly because of the love and passion that they have for its areas.

Falcon Safaris is owned and managed by
Hamilton and Chenai Mandi.

EXCELLENT AND EFFICIENT SERVICE

Falcon safaris have given me the correct advice with excellent service. The only suggestion will be to work closer with the lodges to confirm bookings as soon as possible. We have booked and pay our deposit a year in advance. We have only receive our final confirmation from Chobe Safari lodge a week before departure. I do realize its not within your control but with limit alternatives and a group of 14 people it becomes an issue to find alternative accommodation if the booking was cancelled

WONDERFUL AFTERNOON WITH BEAUTIFUL CREATURES

I thoroughly enjoyed my afternoon with the elephants. I rode an 8 year old female, her name is not in my head, and it was magical. She loved her treats at the end of the ride and her trainer was a lovely man. We talked the whole hour and he taught me so much about these magical creatures.

Thank You for supporting this wonderful organization with your tour company.
