ROUTE & ITINERARY

DAY 1: VICTORIA FALLS HOTEL, VICTORIA FALLS, ZIMBABWE

Victoria Falls, Zimbabwe

Resting on the southern banks of the Zambezi River at the western end of the eponymous falls, this popular tourist town is compact enough to walk around and makes an ideal base for travellers exploring the seventh wonder of the world, the unfathomably vast Victoria Falls. About two-thirds of the falls can be viewed from the Zimbabwean side and, while the falls are undoubtedly the star attraction, the area provides both adventure seekers and sightseers with plenty of opportunities to warrant a longer stay. Popular activities include scenic flights over the falls in helicopters or microlights, bungee jumping off the Victoria Falls Bridge, white-water rafting (seasonal), and day trips to Chobe National Park. The town itself offers some excellent accommodation and restaurant options as well as an eclectic variety of African curios and authentic art sold by friendly Zimbabwean locals who are wonderfully welcoming and eager to help you enjoy your stay.

Overnight: Victoria Falls Hotel

The Victoria Falls Hotel, popularly known as “the grand old lady of the Falls”, is situated in the Victoria Falls National Park, and is a member of the exclusive Leading Hotels of the World group. It is one of only three ISO-accredited hotels in Zimbabwe. The Edwardian-style five-star hotel combines the charm of the old with the convenience of the new. Set in lush tropical gardens with lily ponds, palm trees and semi-tropical shrubs, it provides the tranquillity and seclusion that many guests seek. The famous Victoria Falls are just a ten-minute walk away using the hotel’s private pathway, and “the smoke that thunders” or “Mosi-O-Tunya” in the local dialect, is clearly audible and visible from this luxurious landmark.

Central Kalahari Game Reserve

Adventurous travellers seeking a truly remote African safari will be thrilled to discover it in central Botswana. The Central Kalahari Game Reserve is the second largest game reserve in the world and one of the least visited, nothing can prepare you for the sheer wonder of exploring this vast reserve with its wild, untouched beauty. The landscape is dominated by sand veld, acacias, and Kalahari apple-leaf, interspersed with grasslands and dotted with occasional sand dunes, pans and fossil river valleys. While the reserve is home to an impressive variety of wildlife, there is one animal that is rather obviously absent, the human being.
